4. SCOPE

These “Terms and Conditions of Participation” apply to participation in the “Swiss Cyber Security Days” trade fair (hereinafter referred to as the “trade fair”) and supplement the “General Terms and Conditions of Participation” of BERNEXPO AG, as amended. Also applicable are the “General Regulations” of BERNEXPO AG, as amended, and the “Technical Information About the Halls”, as amended.

5. PURPOSE OF THE TRADE FAIR

Swiss Cyber Security Days is Switzerland’s leading cybersecurity dialogue and business platform. The event bridges the knowledge gap between technology, business and the population, offering policymakers, administrators, experts and users insights into current and future threats as well as innovative solutions.

6. ELIGIBLE EXHIBITORS

Companies from the following sectors are eligible as exhibitors:

- Education & research
- Cybersecurity
- Data protection organisations
- ICT
- Critical infrastructures
- NGOs
- Telecommunications
- Administration

The event organiser has the final say on exhibitor admission, is not required to give reasons for its decisions, and may cancel or reject a registration at any time with no further obligations aside from refunding the transferred amounts.

Exhibitors grant the event organiser authorisation to use their named exhibitor brands on its communication platform (trade fair platform) for the purpose of promoting Swiss Cyber Security Days 2027.

8. CANCELLATION OF REGISTRATION

8.1 By exhibitor

The following cancellation conditions apply if the registration (via online registration or written confirmation by email) is cancelled.

Item description	Price
Cancellation fee after confirmed registration	10% of the package price
Cancellation fee if booth allocation has been sent	100% of the package price

8.2 By co-exhibitor

The full co-exhibitor surcharge as well as any ancillary costs incurred shall remain payable in all cases, even if a registered co-exhibitor does not take part in the trade fair.

9. ACCESS TO THE TRADE FAIR

All visitors are required to register either online or at one of the ticket windows located before the access control points prior to visiting the trade fair.

9.1 Tickets for customers

Invite your (potential) customers to visit Swiss Cyber Security Days and generate valuable contacts before the trade fair even starts! Your package includes an appropriate number of tickets for customers; additional tickets can be ordered from the Online Service Center.

10. BOOTH ALLOCATION

Booth allocation is carried out by the exhibition management, which will take into account the preferences expressed by exhibitors as far as possible. The exhibition management reserves the right to increase or reduce the booked booth space in order to adapt it to the overall layout requirements.

If necessary, the exhibition management may relocate an exhibitor's booth, assign an alternative location, or reduce the booth area, without being obliged to provide any compensation. Changes required for technical or aesthetic reasons may be implemented by the exhibition management after consultation with the affected exhibitors.

As a general rule, exhibitors who register at an early stage are given priority in booth allocation. Another criterion for booth allocation is the registered booth size.

11. PRE-BOOKING

Exhibitors of SCSD 2026 have the opportunity to reserve a booth for SCSD 2027 as part of a pre-booking offer. The pre-booking includes a 20% discount on the regular package price until 30 April 2026.

11.1 Book existing stand space

On 17 February 2026, exhibitors have the exclusive right to reserve their current SCSD 2026 booth location for SCSD 2027. Registration via the Exhibitor Management Portal (MVP) is legally binding. In the event of cancellation, 10% of the package price will be charged as a cancellation fee.

11.2 Book any stand space

From 18 February 2026, exhibitors may reserve any available booth space from SCSD 2026 for SCSD 2027, provided that it has not been booked by an existing exhibitor on the previous day. Registration via the MVP is legally binding. In the event of cancellation, 10% of the package price will be charged as a cancellation fee.

12. WASTE DISPOSAL AND RECYCLING

Waste can be deposited in the aisles in front of the booths on the eve of the trade fair. The cleaning service will arrange for waste disposal. Paint tubs must not be cleaned in the lavatory sinks. Glass recycling containers are provided for waste glass. The waste disposal and recycling costs are already included in the booth package price.

13. EXCLUSION OF EXHIBITION ITEMS AND EXHIBITORS

Exhibition Management is entitled to remove non-approved exhibition items, products and services that infringe patent law, or illegal counterfeit products (after consultation with the authorities) from the booth or to close the booth completely. The exhibitor shall be liable for the resulting costs. The exhibitor shall not be entitled to exert any claims against the trade fair or the trade fair venue (see also section 2.8 of “General Terms and Conditions of Participation”).

14. GOODS DELIVERIES

During the event: daily, one hour before the trade fair starts. Delivery vehicles must have departed the exhibition grounds 30 minutes before the trade fair starts.

15. FINAL PROVISIONS

The prices listed here do not include value-added tax (unless specified otherwise). Prices are subject to change. The German version in effect at the time of registration is binding.
